

## Eyelash Extensions Agreement and Consent Form

Full Name: \_\_\_\_\_ Telephone: (Cell) \_\_\_\_\_

Email: \_\_\_\_\_ Referred by: \_\_\_\_\_

\_\_\_\_\_ I understand that this procedure requires single synthetic eyelashes to be adhered to my own natural eyelashes.

\_\_\_\_\_ I understand that it is my responsibility to keep my eyes closed and be still during the entire procedure, until my eyelash technician addresses me to open my eyes.

\_\_\_\_\_ I understand that some risks of this procedure may be but not limited to eye redness and irritation. The fumes from the adhesive may cause my eyes to tear up if I open my eyes.

\_\_\_\_\_ I agree to disclose any allergies that I may have to latex, surgical tapes, cyanoacrylate, Vaseline, etc.

\_\_\_\_\_ I understand that I am required to follow the eyelash extension care sheet in order to maintain the life of these extensions.

\_\_\_\_\_ I agree that by reading and signing this consent form, I release Beautif-Eye Studios & all Beautif-EYE Employee's from any claims or damages of any nature.

\_\_\_\_\_ I agree that I read and fully understand this entire consent form.

\_\_\_\_\_ I am of sound mind and fully capable of executing this waiver for myself.

\_\_\_\_\_ I give Beautif-Eye Studios and employee's of Beautif-EYE permission to show my before and after photos of eyelashes to other potential clients Yes \_\_\_\_\_ or No \_\_\_\_\_

\_\_\_\_\_ I have read and completed the Eyelash Extensions Intake & Consent form in its entirety, and have answered everything to the best of my ability. I have been informed of potentially harmful or negative side effects that may be caused by the application and/or removal of Eyelash Extensions.

\_\_\_\_\_ I understand an eyelash fill would be recommended every 2 to 3 weeks.

\_\_\_\_\_ I understand less than 50% of lash extensions retained before my lash fill appointment no longer constitute as a fill, but more of a full set and I will be charged accordingly.

\_\_\_\_\_ I understand purchasing Borboleta Lash Shampoo is highly recommended and using any other product to cleanse the lashes will result in premature lash loss.

\_\_\_\_\_ Some of our clients fall asleep during the procedure.

\_\_\_\_\_ We will not be held liable for any damage that you may cause by trying to remove the eyelash extensions on your own

\_\_\_\_\_ Any redo's due to issues with excessive lash loss or pain due to twisted or tugging of lashes, must be fixed within 5 days from previous appointment. Redo's are only 30 minutes long. Any additional time, or after the 5 days will be given a 15% discount on service.

1. Do not perm or Tint lashes before or after lash extension application.
2. Do not use an Eyelash curler.
3. Do not rub your eyes or lashes when washing your face. Clean around the Eyes with a wash cloth.
4. Only cleanse your lashes using Borboleta Lash Shampoo
5. Do not pull your lash extensions, as it will take out your own lash as well
6. Do not use Mascara
7. Do not try to remove the Extensions on your own.
8. Do not cut the Extensions (you may cut your own lashes)
9. Remember to schedule lash fill appointments every 2-3 weeks

I confirm and agree that I wish to engage the services of Beautif-Eye Studios and said employee's of Beautif-EYE, LLC to apply eyelash extensions.

## Eyelash Aftercare Requirements

1. Do not get the eyelashes wet and keep them moisture free for a full 24 hours. This includes but is not limited to; showering, swimming, working out, and excessive sweating.
2. Do not pick or pull on your natural lashes because this risks lashes being pulled out prematurely.
3. Gently cleanse lashes daily using the Borboleta's lash cleanser.
4. Brush your lashes daily. This encourages any lashes in the Telogen stage to come out, while keeping them looking nice and not tangled.
5. Do not sleep on your face. Whatever side you sleep on will experience more lash loss. Using silk pillowcases can help keep lashes on longer because cotton causes friction that causes breakage to hair, including lashes.
6. Avoid oily products. Anything oily degrades the adhesive. This includes makeup, eye creams, eye serums, lotion, etc.
